MEMORANDUM FOR THE RECORD

Morning Meeting of 16 February 1967

With regard to China, Godfrey said that the latest reports suggest that the army has re-established control in Sinkiang.

Godfrey noted the passage of two U. S. destroyers into the Black Sea without challenge from the USSR.

Kent called attention to a letter from Tom Hughes asking for an Estimate on the Persian Gulf area by the end of April.

Kent said that a USIB meeting is scheduled for 1500 tomorrow to discuss the Estimate on troop withdrawals from Europe.

DD/S mentioned the demonstration at the Pentagon yesterday and assured the Director that the Agency has a well-developed plan to handle similar situations at Headquarters.

Warner reported that Senator Mansfield returned late last night.

Warner noted that the Director is scheduled to brief the Rivers committee tomorrow at 0800. (See Action 1)

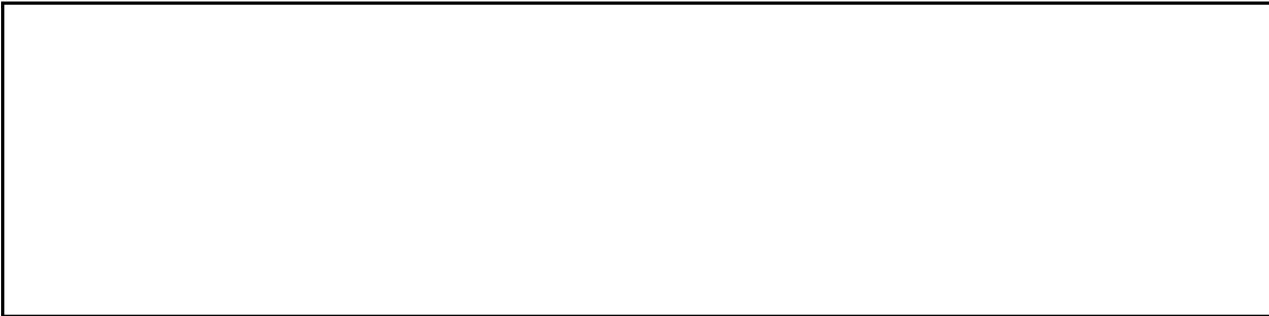

25X1  reminded the group of the need to expedite personnel complaints to the IG's office.

Executive Director noted that Idar Rimestad will arrive at Headquarters at 1000 and passed out a revised schedule to the protagonists.

Executive Director felt it would be appropriate to review the study of Agency-university relations to be sure that the actions suggested are in train.

Executive Director said that there are no more general Headquarters briefings of outside groups scheduled until 10 March.

ACTIONS:

1. The Director asked Warner to postpone if possible his scheduled meeting with Mahon at 1000 tomorrow and to cancel his appearance before the House Foreign Affairs Committee scheduled for next week.

The Director asked DD/P to provide his material for the briefing of the Rivers committee tomorrow. (DD/P - In the course of the day)
